UKCA Declaration of Conformity

We, Zaber Technologies Inc., #2 – 605 West Kent Ave. N, Vancouver, BC, Canada, declare that the following products, including all their options:

Part Number	Description
A-BAR	Motorized linear actuator
A-BLQ	Motorized belt-driven linear stage
A-LAR	Motorized linear actuator
A-LSQ	Motorized linear stage
A-LST	Motorized linear stage
ASR	Motorized XY microscope stage
BLQ	Motorized belt-driven linear stage
BAR	Motorized linear actuator
DMQ	Motorized linear stage
E-MCC	Stepper motor / Linear motor / BLDC motor controller
GLP	Motorized gripper
GSM	Motorized goniometer
LAC	Compact linear actuator
LAR	Motorized linear actuator
LC40	Linear Guide
LDA	Motorized linear stage
LDM	Motorized linear stage
LDQ	Motorized linear stage
LHM	Motorized linear stage
LMG	Motorized goniometer
LRM	Motorized linear stage
LRQ	Motorized linear stage
LRT	Motorized linear stage
LRU	Motorized linear stage
LSA	Compact motorized linear stage
LSM	Miniature motorized linear stage
LSQ	Motorized linear stage
LST	Motorized linear stage
M-LSM	Motorized micromanipulator
MLR	Microscope reflected light illuminator
MLT	Microscope transmitted light illuminator
MTR	Upright microscope tower
MVR	Motorized inverted microscope
NA	Electric linear actuator

NM	Stepper motor
NMS	Stepper motor
OMG	Motorized optic mount
RDQ	Motorized rotary stage
RS	Motorized rotary stage
RSB	Motorized rotary stage
RSM	Motorized rotary stage
RST	Motorized rotary stage
RSW	Motorized rotary stage
T-LA	Miniature linear actuator
T-LHM	Motorized linear stage
T-LLS	Motorized dovetail slide
T-LS	Motorized linear stage
T-LSM	Miniature motorized linear stage
T-LSQ	Motorized linear stage
T-LSR	Motorized linear slide
T-LST	Motorized linear stage
T-MM	Motorized mirror mount
T-NA	Micro linear actuator
T-NM	Stepper motor
T-OMG	Motorized optic mount
T-RS	Motorized rotary stage
T-RSW	Motorized rotary stage
TSB	Translation stage
VSR	Motorized vertical stage
X-ADR	Motorized XY microscope stage
X-ASR	Motorized XY microscope stage
X-BLQ	Motorized belt-driven linear stage
X-DMQ	Motorized linear stage
X-FCR	Motorized filter cube turret
X-FWR	Motorized filter wheel
X-GLP	Motorized gripper
X-GSM	Motorized goniometer
X-GSR	Motorized goniometer
X-G-RST	Motorized two-axis rotary positioner, gimbal
X-LCA	LED controller
X-LDA	Motorized linear stage
X-LDM	Motorized linear stage
X-LDQ	Motorized linear stage
X-LHM	Motorized linear stage
X-LRM	Motorized linear stage

X-LRT	Motorized linear stage
X-LRQ	Motorized linear stage
X-LSM	Miniature motorized linear stage
X-LSQ	Motorized linear stage
X-MCA	Stepper motor controller
X-MCB	Stepper motor controller
X-MCC	Stepper motor / Linear motor / BLDC motor controller
X-MOR	Motorized objective turret
X-NA	Micro linear actuator
X-NMS	Stepper motor
X-RDQ	Motorized rotary stage
X-RSB	Motorized rotary stage
X-RSM	Motorized rotary stage
X-RST	Motorized rotary stage
X-RSW	Motorized rotary stage
X-VSR	Motorized vertical stage

that bear the UKCA logo are in conformity with the provisions of EU Council Directive 2006/42/EC (Directive on Machinery). The equivalent UK legislation is Supply of Machinery (Safety) Regulations 2008. The products were placed on the market before 31 Dec 2024 and declared as CE compliant.

Vancouver, 11 Dec, 2025

Jesse Schuhlein, Quality Manager
